

CLUB ROSTER 7

Hello Fellow Club Members

It is time to again roster members on to the duty roster so that we have someone in the club each Sunday to welcome new and existing members, support the instructors, mow the lawn, secure the aircraft, vacuum and tidy kitchen/dishes if needed and also just encourage members and guests that turn up.

Members have been rostered on AM (9.00am to 12.30pm) and PM (12.30pm to 4.00pm). This will only take up three and a half hours of a Sunday and more than likely only around twice a year.

If you are unable to make your rostered shift, please phone another club member and arrange for them to swap/stand in for you. This will only work if everyone owns that responsibility.
